INSTRUCTIONS TO COOPERATING TEACHER

This report is to be completed after the Teacher Education Student (TES) has completed their 15 days of professional engagement. TES are to be assessed for each Standard/requirement as either:

ND = Not Demonstrated

WT = Working Towards

D = Demonstrated

Please do NOT USE N/A or leave a Standard empty.

Using **N/A** or leaving a standard empty in this report means TES have not met requirements. If a TES has not had the opportunity to demonstrate any of the standards **an assessment on their understanding of the standards will be sufficient**. TES may demonstrate their understanding of the standards in a discussion with their cooperating teacher. Please assess demonstration of understanding against the standard, when necessary.

Upon completion, this form is to be discussed and returned to the TES. TES will upload it via our Learning Management System Moodle no later than ten (10) working days after the completion of the placement for grading purposes.
