

UNSW Risk & Actuarial Industry Workshop

SUMMARY

The 2022 UNSW Risk and Actuarial Industry Workshop will bring together industry experts and leading academics to discuss current and emerging topics in retirement, superannuation, and data analytics. The workshop aims to develop existing and new partnerships between the UNSW School of Risk and Actuarial Studies and industry and explore opportunities for joint research and education initiatives.

The workshop is co-hosted by the [UNSW School of Risk and Actuarial Studies](#) and the Innovations in Risk, Insurance and Superannuation (IRIS) Knowledge Hub at UNSW Sydney.
