

UNSW Business School

Bachelor of Commerce

You can make big changes in the world with a career in business. Your path to problem-solving for business success and a sustainable society starts here, with a Bachelor of Commerce from UNSW Business School.

Key Features

Integrated First Year

Begin your degree exploring different business fields and how they work together to solve complex business problems and embrace opportunities. You'll get a well-rounded understanding of what it takes to be successful and gain essential business skills.

MyBCom

MyBCom is an online platform that keeps you on track for your future. It guides your studies, develops your personal career plan and builds a portfolio of your work to showcase to future employers.

Build your expertise

Specialise your studies by choosing one or two of our business school majors. You can also opt to double your degree with degrees from other areas such as engineering, law or arts, or another UNSW Business School degree.

Guaranteed Work Experience

Put your coursework into action through guaranteed work integrated learning. Choose from opportunities including internships, group consulting projects and global practicums.
