

# School of optometry and vision science

## Invitation to participate in short-sightedness(myopia) control quality of life research

- ✓ Have you been using treatments to slow down short-sightedness (myopia)?
- ✓ Help improve care and advance research by completing the questionnaires

You might be eligible if you are:

- Short-sighted(myopic) and are receiving control treatments.
- Aged 8–21 years (under 18 can participate with a parent or guardian)

Please scan QR code or contact Aragaw at [a.assaye@unsw.edu.au](mailto:a.assaye@unsw.edu.au) or **0481 297 027**
