NOTES	
	The expected study load is 8 courses spread over three terms, with an option of completing 9 courses (three per term).

Students completing no Optional Specialisation may apply to their Program Director to swap up to 12 UOC of Prescribed Electives for the following courses: Minor Project (PHCM9148), Project (PHCM9144), Internship (PHCM9143), Independent Study (PHCM9103).

* International students from non-English speaking countries enrolled in the full-time program are required to take the additional preparatory course PHCM9100 in their first Term. This course is available for all students to assist to gain maximum benefit from their study. The course is made available at no charge to students and does not contribute to the UOC requirements of the degree.

Information is correct as of 25.10.22 and is based on proposed prerequisites and course availability. This is to be used as a guide only and does not replace individual advice. Refer to the Handbook and Class Timetable for the relevant term to check availability for these courses. Contact The Nucleus: Student Hub for further assistance. CRICOS Provider Code 00098G
