Year 2	Term 1	Term 2	Term 3
	Specialisation, ID, or Prescribed Elective*		
	Specialisation, ID, or Prescribed Elective*		

NOTES

Students must complete a total of 72 UOC:

- 42 UOC of Core Courses and
- 6 UOC Infectious Diseases (ID) Elective and
- 24 UOC Specialisation Courses OR any combination of ID Electives and Prescribed Electives

Consult the [Handbook](#) for a list of Specialisations and approved courses for both program options.

* ID, Specialisation-specific, and Prescribed Electives can be taken in any Term that they are offered. Students may replace up to 12 UOC of Prescribed Electives with a Project, Independent study, or Internship.

Please check the eligibility requirements for [Projects](#), [Independent Study](#), or [Internship](#) before discussing with your Program Authority. Internships offered in Terms 1 & 3 only.

^All School of Population Health postgraduate program students who completed their previous studies in a non-[English speaking country](#) are required to take [PHCM9100 Academic Practice](#) in their first term. The course is worth 0 units of credit, is not counted in your study load, and there are no tuition fees to be paid. Any students who wish to be exempt from taking this course should contact [The Nucleus: Student Hub](#).
