Program Structure			
Medical Science	114 UoC (19 courses)	120 UoC	**144 UoC**
Science Electives	6 UoC (1 course)		
Free Electives	12 UoC (2 courses)	24 UoC	
General Education	12 UoC (2 courses)		

Information correct for students commencing the Bachelor of Medical Science in 2017

Please Note: Semester offerings are subject to change, please check the timetable prior to planning for your enrolment.

^SCIF1111 can be replied by SCIF1131 in Semester 2, depending on which Science elective is taken in the first year.

You are not required to choose a major for this program but if you choose to do a major, you will need to select the appropriate Directed Electives in your third year. Please see the handbook for the list of available majors and Directed Electives.

http://www.handbook.unsw.edu.au/undergraduate/programs/2018/3991.html

Science Electives are courses taken from within the Faculty of Science, as defined by *Table 1* in the Online Handbook.

Free Electives may be from Science or from any other Faculty at UNSW.

General Education courses cannot be Science courses, and Science students cannot take GENS courses for their General Education.
