|------------------------------------|------------------------|------------|---------|
| Core Courses<br>(Program + Major ) | 90 UoC<br>(15 courses) | 120<br>UoC | 144 UoC |
| Data Science<br>Electives          | 30 UoC<br>(5 courses)  |            |         |
| Free Electives                     | 12 UoC<br>(2 courses)  | 24 UoC     |         |
| General<br>Education               | 12 UoC<br>(2 courses)  |            |         |

Information correct for students commencing the Bachelor of Data Science in 2021

**Notes:** Any course taught by the Business School, Faculty of Science or the Faculty of Engineering cannot be taken as General Education for this program. Additionally, GENS, GENC and GENE courses will not be counted.

Students must complete 30 UoC of Data Science Electives to qualify for the Business Data Science major. For the full list of electives, please see the Handbook page for this major.

\*At least 18 UoC must be from the Business School.

**Free Electives** may be from any Faculty at UNSW.

Students cannot complete more than 72 UoC of Level 1 courses including any GEN courses and Level 1 courses taken for General Education.
