Add an activity to Remaining Courses	23
Add an activity to the study plan.....	25
Add a note to an activity in Remaining Courses	28
Add a note to an activity in a teaching period.....	30

Access my study planner

There are 2 ways to access your study planner. These are:

1. Via **Plan your Path** in the side menu
2. Via the **Go to Planner** button

Add a course or requirement to a teaching period via drag and drop

The study planner allows you to plan your studies for the entirety of your program. Courses or requirements can be added to the study plan via the drag and drop functionality from the Progress view or Remaining Courses. This can be useful when you don't know the course or requirement to search for. The Progress view or Remaining Courses can show you exactly what you need to take.

Courses have a solid grey line around the edge and requirements have a dotted grey line.

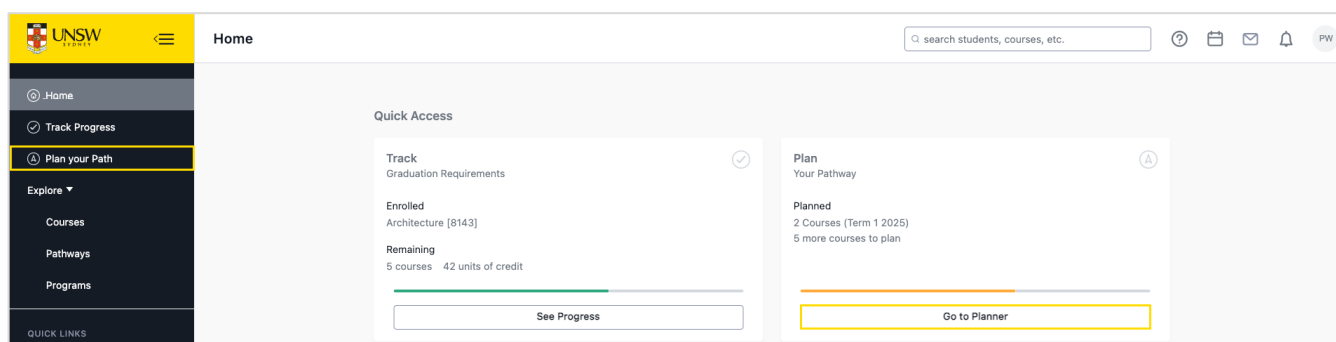

ARCH7212
Research Studio

Prescribed Electives
Architecture [8143]

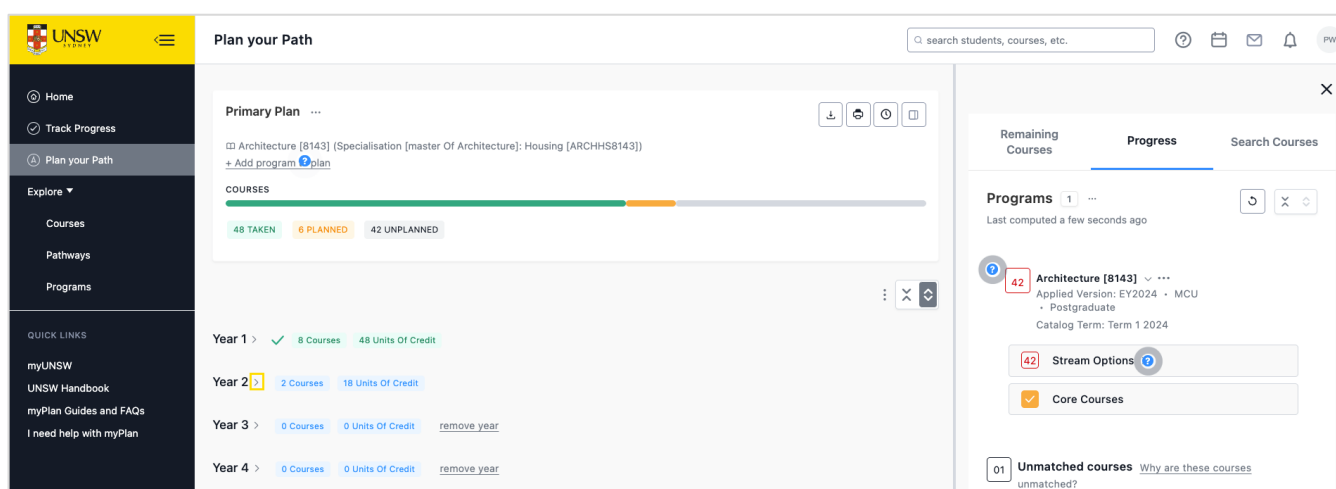

myPlan lets you know if there's a prerequisite or co-requisite or if the course is not available in a particular teaching period.

Instructions:

1. Select **Plan your Path** in the side menu or **Go to Planner** to access the Planner.

2. Select the **dropdown arrow** to access the relevant teaching period.

3. Select **Remaining Courses** from the sidebar to access Remaining Requirements.

The screenshot shows the 'Plan your Path' interface. On the left is a sidebar with navigation options: Home, Track Progress, Plan your Path, Explore (Courses, Pathways, Programs), and Quick Links (myUNSW, UNSW Handbook, myPlan Guides and FAQs, I need help with myPlan). The main area displays 'Year 1' with 8 Courses and 48 Units Of Credit, and 'Year 2' with 2 Courses and 18 Units Of Credit. Under 'Term 1 2025', there are two course cards: ARCH7183 Professional Practice 2: Projects and Practice (Class Registered, CR01, [Teaching Period One] - PGRD) and ARCH7211 Research Studio (Class Registered, CR01, [Teaching Period One] - PGRD, Unmatched). There are buttons for '+ Term 2 2025', '+ Term 3 2025', and '+ Add to Term 1 2025'. On the right, the 'Remaining Courses' tab is active, showing 'Programs' (Architecture [8143] Applied Version: EY2024 - MCU Postgraduate, Catalog Term: Term 1 2024) and 'Stream Options' (42). Below this, 'Core Courses' is checked. At the bottom, 'Unmatched courses' are listed, including ARCH7211 Research Studio.

The Remaining Requirements is a list of courses and requirements you can choose from that are applicable to your program.

4. Drag a course or requirement from **Remaining Requirements** within Remaining Courses and drop in the relevant **teaching period** to include in your study plan.

The screenshot shows the 'Plan your Path' interface with the 'Remaining Requirements' tab active on the right. The sidebar and main area are the same as in the previous screenshot. The 'Remaining Requirements' list on the right includes: ARCH7212 Research Studio, ARCH7252 Major Design Studio (highlighted with a yellow border), Architecture and Housing Electives Architecture [8143] x2, and Prescribed Electives Architecture [8143]. At the bottom, 'Activities' are listed as 0 with the text 'No activities'.

5. A **confirmation message** displays and the course or requirement is added to the nominated teaching period.

The screenshot shows the 'Plan your Path' interface on the myUNSW platform. At the top, a green confirmation banner states 'ARCH7252 added to Term 2 2025'. The main area displays two teaching periods: 'Term 1 2025' and 'Term 2 2025'. Under 'Term 1 2025', courses listed include ARCH7183 (Professional Practice 2: Projects and Practice) and ARCH7211 (Research Studio). Under 'Term 2 2025', ARCH7252 (Major Design Studio) is highlighted with a yellow border. A third period, '+ Term 3 2025', is shown as an empty dashed box. On the right, the 'Remaining Requirements' panel shows a list of requirements: 'ARCH7212 Research Studio', 'Architecture and Housing Electives (8143) x2', and 'Prescribed Electives (8143)'. The 'Activities' section at the bottom right shows '0' activities.

Continue to drag and drop courses or requirements from the Remaining Requirements to the relevant teaching period to add to your study plan.

Planning a course does not mean you are enrolling in the course. You still need to enrol via myUNSW.

Add a course or requirement to a teaching period via the Add button

The study planner allows you to plan your studies for the entirety of your program. Courses and requirements can be added to the study plan via the Add button.

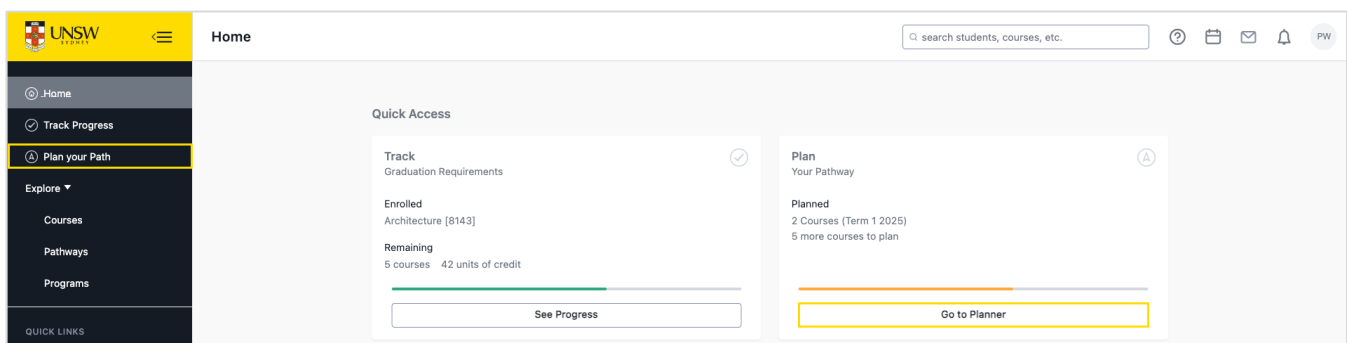

Courses have a solid grey line around the edge. Requirements have a dotted grey line around the edge.

ARCH7212

Instructions:

1. Select **Plan your Path** in the side menu or **Go to Planner** to access the Planner.

2. Select the **dropdown arrow** to access the relevant teaching period.

3. Select the **teaching period** where you want to add a course or requirement to access the Add button.

The screenshot shows the 'Plan your Path' interface for a student. The left sidebar contains navigation links: Home, Track Progress, Plan your Path, Explore (Courses, Pathways, Programs), and Quick Links (myUNSW, UNSW Handbook, myPlan Guides and FAQs, I need help with myPlan). The main content area displays the student's progress for Year 1 (8 Courses, 48 Units Of Credit) and Year 2 (2 Courses, 18 Units Of Credit). A vertical timeline shows Term 1 2025, Term 2 2025, and Term 3 2025. The 'Term 1 2025' box is highlighted with a yellow border. Below it, a list of courses is shown: ARCH7183 Professional Practice 2: Projects and Practice (Class Registered, CR01, [Teaching Period One] - PGRD) and ARCH7211 Research Studio (Class Registered, CR01, [Teaching Period One] - PGRD, Unmatched). A '+ Add to Term 1 2025' button is at the bottom of the course list. The right sidebar shows 'Remaining Courses', 'Progress', and 'Search Courses'. Under 'Progress', there is a list of programs, including 'Architecture [8143]' and 'Unmatched courses'.

4. Select the **Add to [teaching period]** button to access options.

This screenshot is similar to the previous one, but the '+ Add to Term 2 2025' button is highlighted with a yellow border. The 'Term 2 2025' box is also highlighted with a yellow border. The rest of the interface, including the sidebar, main content area, and right sidebar, remains the same.

5. Select **Specific Course** or **Requirement** to access the search functionality for a course or requirement for the teaching period.

9. A **confirmation message** displays and the course or requirement is added to the nominated teaching period.

The screenshot displays the 'Plan your Path' interface on the UNSW myUNSW platform. The main area shows a study plan for Year 1 and Year 2. Year 1 includes Term 1 2025 with courses ARCH7183 and ARCH7211, and Term 2 2025 with course ARCH7252. A confirmation message 'ARCH7252 added to Term 2 2025' is displayed at the top. The sidebar on the right shows 'Remaining Courses' with ARCH7212, 'Architecture and Housing Electives' (x2), and 'Prescribed Electives'. It also shows 'Activities' with 0 activities.

Select the **Add to [teaching period]** button to continue adding courses or requirements to the relevant teaching period in your study plan.

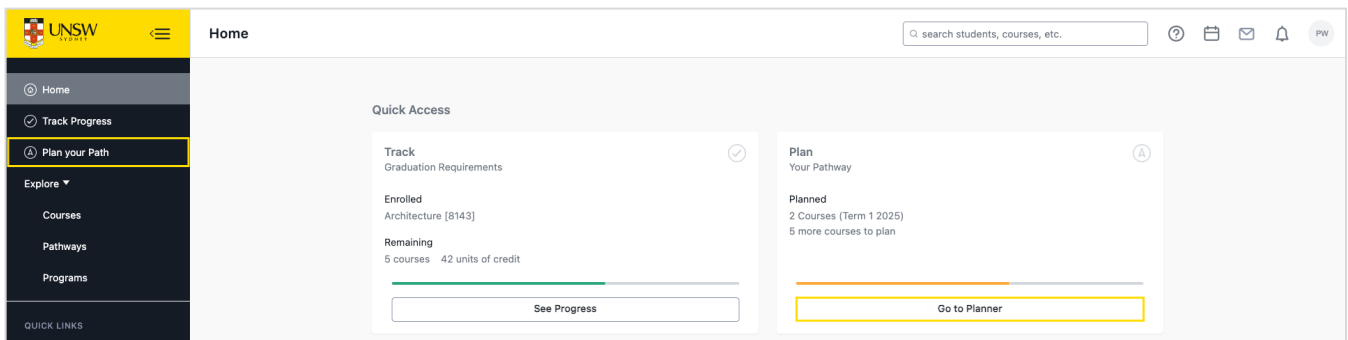

Planning a course does not mean you are enrolling in the course. You still need to enrol via myUNSW.

Search for a course

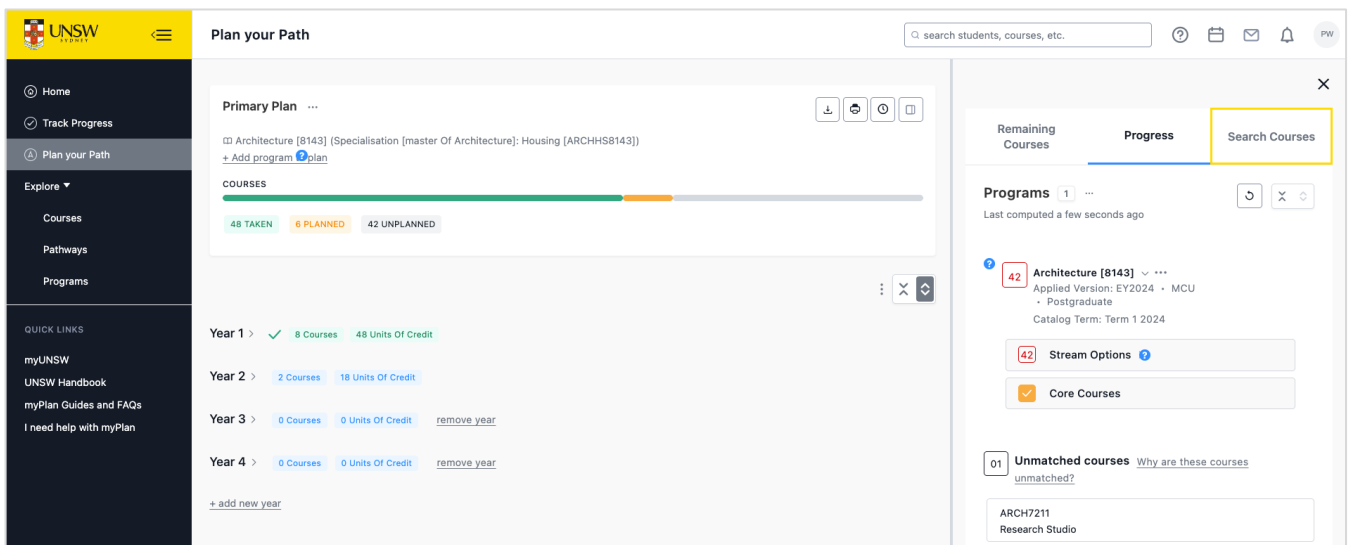

You can search for courses to obtain more information or add to the study plan. Some filters are automatically applied to help you search for courses that are applicable to your program for a specific teaching period. These filters can be removed or changed.

Instructions:

1. Select **Plan your Path** in the side menu or **Go to Planner** to access the Planner.

2. Select **Search Courses** from the sidebar.

3. Enter a course code or name in **Keywords** to search for the course.

The screenshot shows the 'Plan your Path' interface. On the left is a navigation menu with 'Home', 'Track Progress', 'Plan your Path', 'Explore' (Courses, Pathways, Programs), and 'QUICK LINKS' (myUNSW, UNSW Handbook, myPlan Guides and FAQs, I need help with myPlan). The main area shows 'Year 1' with 8 Courses and 48 Units Of Credit, and 'Year 2' with 2 Courses and 18 Units Of Credit. Under 'Term 1 2025', there are two course cards: ARCH7183 'Professional Practice 2: Projects and Practice' (Class Registered, CR01, [Teaching Period One] - PGRD) and ARCH7211 'Research Studio' (Class Registered, CR01, [Teaching Period One] - PGRD). The ARCH7211 card has a red 'Unmatched' label. There are buttons for '+ Term 2 2025' and '+ Term 3 2025'. On the right, the 'Search Courses' sidebar is active, showing a search bar with 'Q Course code, title, keywords...', a checkbox for 'Only with cleared prerequisites', and various filters like Semesters, Counts for, Availability, Section, Course Convenor, Department, Attributes, Campus, and Modality. Below the filters, there are tags for 'Year 2 Term 2 (2025)', 'Only courses with open seats', 'counts for Architecture [8143]', 'at Sydney', and 'Catalog level: Postgraduate'. At the bottom, it says '13 courses in Year 2 Term 2 (2025)'.

4. Select the **course** to access additional information via the sidebar.

This screenshot shows the 'Search Courses' sidebar. The 'Keywords' section has a search bar containing 'ARCH7213' and a checkbox for 'Only with cleared prerequisites'. The 'Filters' section includes buttons for Semesters, Counts for, Availability, Section, Course Convenor, Department, Attributes, Campus, and Modality. Below the filters, there are tags for 'query: "ARCH7213"', 'Year 2 Term 2 (2025)', 'Only courses with open seats', 'counts for Architecture [8143]', 'at Sydney', and 'Catalog level: Postgraduate'. At the bottom, it says '1 course in Year 2 Term 2 (2025)'. A course card for ARCH7213 is highlighted with a yellow border. The card shows 'ARCH7213', 'Performance over Time of Building ...', '06 units of credit', and a green checkmark with the text 'Prerequisites cleared'.

You can access additional information about a course or drag and drop a course into your study plan.

- Continue with step 5 for additional information about the course.
- Go to step 6 to add the course to your study plan.

5. Review the additional **course information**.

- a. Course name
- b. Course code
- c. Applicable units of credit
- d. Add to Remaining Courses icon
- e. Course details header
- f. The campus options where the course will most likely be offered
- g. The teaching periods when the course will most likely be offered
- h. Add To Plan button
- i. Course convenors
- j. Prerequisites
- k. Requirements the course can count towards
- l. Study levels e.g. Undergraduate or Postgraduate

You may also see:

- Course equivalents
- Anti-requisites indicating courses that overlap
- Exclusion courses
- Attributes indicating a specific tag

You can select **X** to exit the sidebar or **Back to Course Search** to return to Search Courses.

6. Select **Add To Plan** to add the course to your study plan.

The screenshot shows the 'Plan your Path' interface. On the left is a navigation menu with 'Home', 'Track Progress', 'Plan your Path', 'Explore' (with sub-items: Courses, Pathways, Programs), and 'QUICK LINKS' (myUNSW, UNSW Handbook, myPlan Guides and FAQs, I need help with myPlan). The main area displays 'Year 1' with 8 Courses and 48 Units Of Credit, and 'Year 2' with 2 Courses and 18 Units Of Credit. Under 'Term 1 2025', two courses are listed: ARCH7183 (Professional Practice 2: Projects and Practice) and ARCH7211 (Research Studio). ARCH7211 is marked as 'Unmatched'. A '+ Add to Term 1 2025' button is at the bottom. To the right, there are buttons for '+ Term 2 2025' and '+ Term 3 2025'. On the far right, a sidebar shows 'Performance over Time of Building Systems' for ARCH7213 (6 units of credit), 'Course Details', 'Campus' (Sydney), 'Semesters' (Term 2 2025), and a blue 'Add To Plan' button. Below this, it shows 'COURSE ENROLMENT (1)' with 0 sections and 'Course Convenors (1)' as Riccardo Paolini.

7. A **confirmation message** displays and the course is added to the study planner in the nominated teaching period.

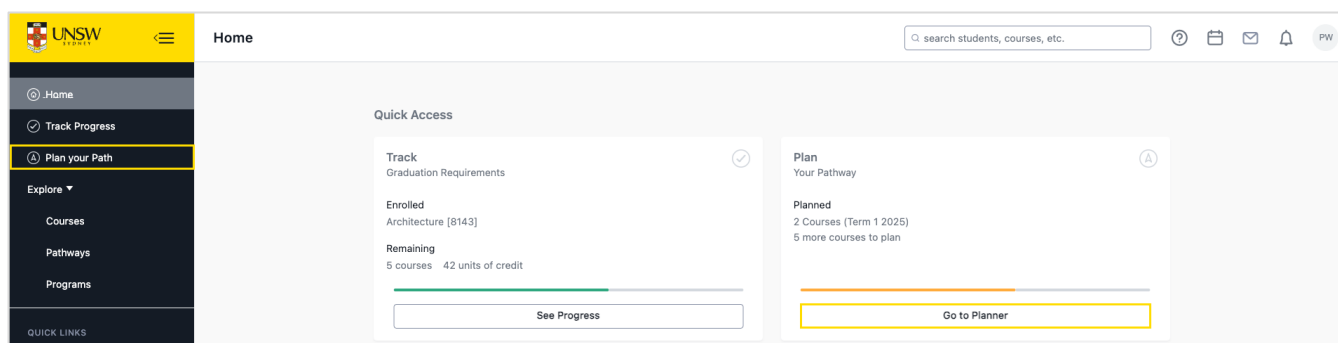

The screenshot shows the 'Plan your Path' interface after the course has been added. A green confirmation message 'ARCH7213 added to Term 2 2025' is displayed at the top. The 'Year 2' summary now shows 2 Courses and 24 Units Of Credit. The 'Term 2 2025' section is highlighted with a yellow border and shows 'ARCH7213 Performance over Time of Building Systems' with an 'UNSPECIFIED SECTION' and a 'Select semester block' dropdown. A '+ Add to Term 2 2025' button is at the bottom. The sidebar on the right now shows 'Term 2 2025' as 'Planned' with a 'Remove' button. The 'COURSE ENROLMENT (1)' section still shows 0 sections. The 'Course Convenors (1)' and 'Prerequisites' sections remain the same.

Refresh the study plan to update changes

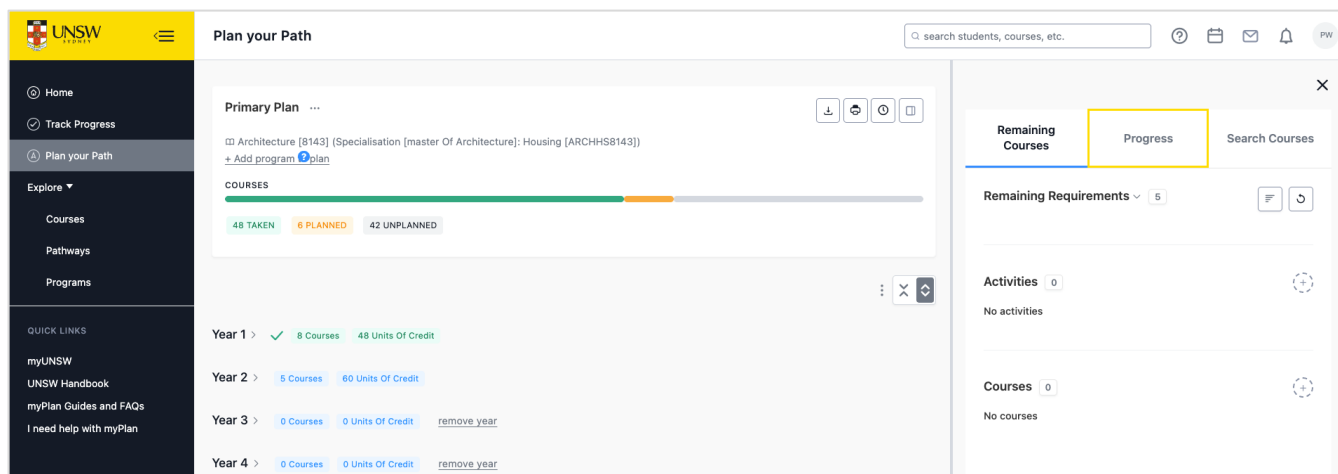

After you make changes to the study planner, you need to refresh myPlan. You can then check whether you are meeting your program requirements based on the courses you've added to your study plan.

Instructions:

1. Select **Plan your Path** in the side menu or **Go to Planner** to access the Planner.

2. Select the **Progress** tab from within the study plan (if not already selected).

3. Select the **Refresh** icon to refresh the changes to the study plan.

The screenshot shows the 'Plan your Path' interface. The 'Primary Plan' section displays a progress bar for 'Architecture [8143] (Specialisation [master Of Architecture]: Housing [ARCHHS8143])' with 48 TAKEN, 6 PLANNED, and 42 UNPLANNED courses. The 'Remaining Courses' tab is active, showing a list of courses including 'Architecture [8143]' and 'Stream Options'. The 'Progress' tab is also visible, showing 'Unmatched courses'.

There is also a refresh icon on the Remaining Courses tab.

4. Select the **Remaining Courses** tab to check for remaining requirements.

The screenshot shows the 'Plan your Path' interface with the 'Remaining Courses' tab selected. The 'Primary Plan' section shows 48 TAKEN, 48 PLANNED, and 0 UNPLANNED courses. The 'Remaining Courses' tab displays a list of courses including 'Architecture [8143]' and 'Stream Options'. The 'Progress' tab is also visible, showing 'Unmatched courses'.

5. Check for **remaining requirements** to confirm whether you are meeting the program requirements based on the courses you've added to the study plan.

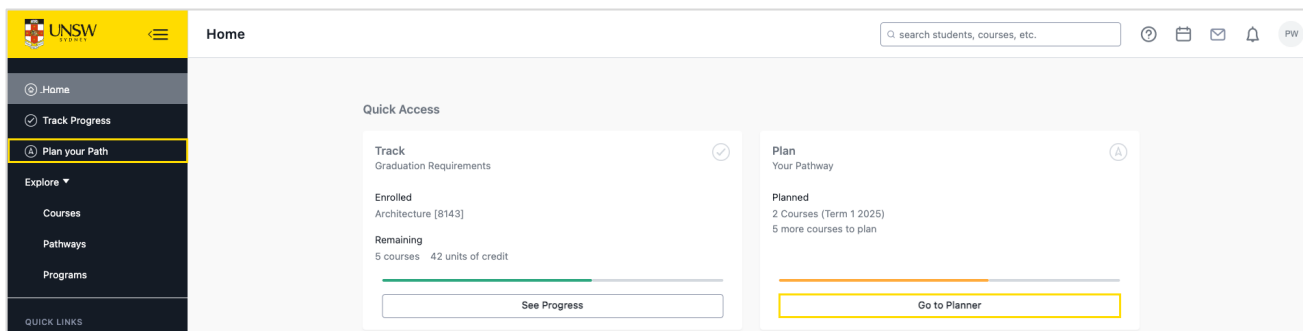

The screenshot shows the 'Plan your Path' interface with the 'Remaining Courses' tab selected. The 'Primary Plan' section shows 48 TAKEN, 48 PLANNED, and 0 UNPLANNED courses. The 'Remaining Courses' tab displays a message: 'No Remaining Requirements'. The 'Progress' tab is also visible, showing 'Unmatched courses'.

Identify my graduation term

Review your study plan to confirm the last teaching period to determine your graduation term. A progress bar that only includes **green** (completed courses) and **orange** (planned courses) and no longer includes **grey** indicates the program is fully planned.

Instructions:

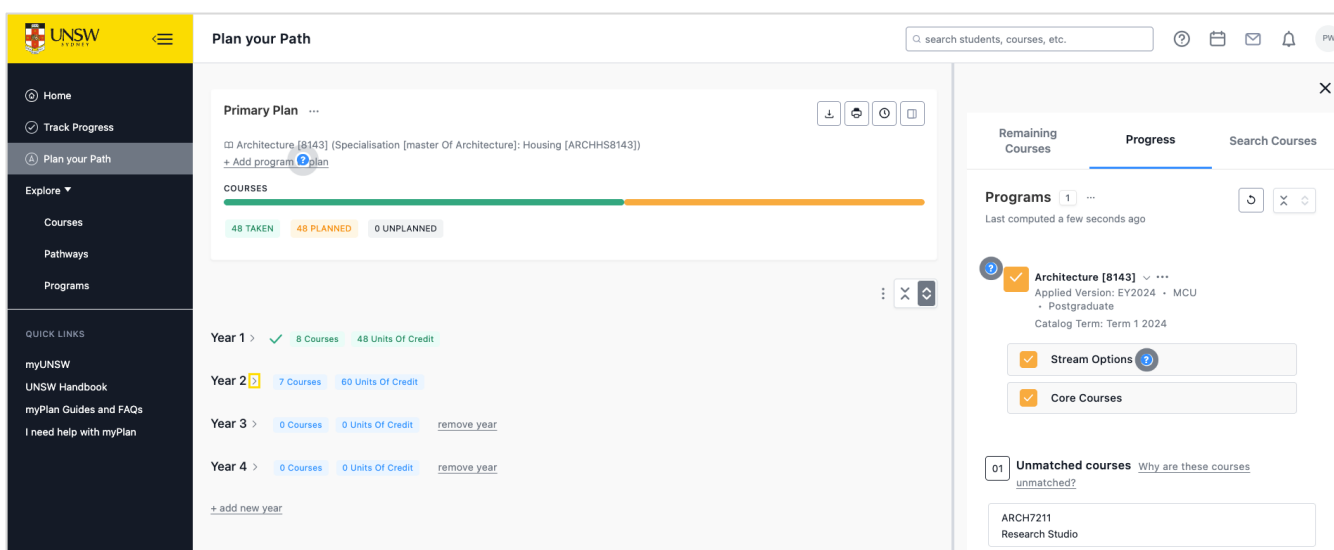

1. Select **Plan your Path** or **Go to Planner** to access your study plan.

2. View the **progress bar** from within the study plan to confirm there is only **green** and **orange** and no **grey**.

3. Select the **dropdown arrow** for the last year of your study plan.

4. Refer to the **last teaching period** where a course is scheduled to confirm your graduation term.

Remove all future courses from the study plan

You may opt to remove all future courses or requirements from your study plan so you can plan again. You can remove all future courses through one simple action. It does not remove your enrolled courses or registered classes.

Select Plan your Path or Go to Planner to access your study plan.

Instructions:

1. In the study plan, select the **ellipsis** to view the options.

The screenshot shows the 'Plan your Path' interface. On the left is a navigation menu with 'Home', 'Track Progress', 'Plan your Path', 'Explore' (Courses, Pathways, Programs), and 'QUICK LINKS' (myUNSW, UNSW Handbook, myPlan Guides and FAQs, I need help with myPlan). The main area is titled 'Plan your Path' and shows a 'Primary Plan' for 'Architecture [8143] (Specialisation [master Of Architecture]: Housing [ARCHHS8143])'. Below this is a progress bar for 'COURSES' with '48 TAKEN' (green), '48 PLANNED' (orange), and '0 UNPLANNED' (grey). The years are listed: Year 1 (8 Courses, 48 Units Of Credit), Year 2 (7 Courses, 60 Units Of Credit), Year 3 (0 Courses, 0 Units Of Credit, remove year), and Year 4 (0 Courses, 0 Units Of Credit, remove year). On the right, there are tabs for 'Remaining Courses', 'Progress', and 'Search Courses'. The 'Remaining Courses' tab shows 'No Remaining Requirements', 'Activities 0', and 'Courses 0'.

2. Select **Remove All Future Courses** from the dropdown.

This screenshot is identical to the previous one, but with a dropdown menu open over the ellipsis icon in the Year 1 row. The dropdown menu contains two options: 'Browse Pathways' and 'Remove All Future Courses', with the latter highlighted by a yellow box.

3. Select **OK** to confirm you want to remove all future courses.

Are you sure you want to remove all the future planned courses/requirements/activities from your current plan?

4. myPlan **refreshes** and any future courses or requirements return to Remaining Requirements and the progress bar updates.

The screenshot shows the UNSW myPlan interface. The main section is titled 'Plan your Path'. It features a 'Primary Plan' section with a progress bar for 'COURSES' showing 48 TAKEN, 6 PLANNED, and 42 UNPLANNED. Below this, the 'Year 1' section shows 8 Courses and 48 Units Of Credit. The 'Year 2' section shows 2 Courses and 18 Units Of Credit. The 'Year 3' and 'Year 4' sections show 0 Courses and 0 Units Of Credit, with 'remove year' links. On the right, the 'Remaining Requirements' section lists 'ARCH7212 Research Studio', 'ARCH7252 Major Design Studio', 'Architecture and Housing Electives Architecture [8143] x2', and 'Prescribed Electives Architecture [8143]'. The interface includes a sidebar with navigation links like 'Home', 'Track Progress', 'Plan your Path', 'Explore', 'Courses', 'Pathways', 'Programs', and 'QUICK LINKS'.

Add a specific course to Remaining Courses

myPlan allows you to add specific courses to Remaining Courses to easily access again later. You would do this when you are interested in a course but you are not yet ready to add to your study plan.

There are 2 ways to add a course to Remaining Courses:

1. Via Courses and then Specific Course
2. Via Courses and then Search Courses

Select Plan your Path or Go to Planner to access your study plan.

Instructions:

1. In the study plan, select **Remaining Courses** (if not already selected).

The screenshot shows the UNSW myPlan interface. The left sidebar contains navigation links: Home, Track Progress, Plan your Path, Explore (Courses, Pathways, Programs), and Quick Links (myUNSW, UNSW Handbook, myPlan Guides and FAQs, I need help with myPlan). The main area is titled 'Plan your Path' and shows a 'Primary Plan' for 'Architecture [8143]'. A progress bar indicates 48 TAKEN, 6 PLANNED, and 42 UNPLANNED courses. Below this, a table shows course progress by year: Year 1 (8 Courses, 48 Units Of Credit), Year 2 (2 Courses, 18 Units Of Credit), Year 3 (0 Courses, 0 Units Of Credit), and Year 4 (0 Courses, 0 Units Of Credit). The right-hand panel is titled 'Remaining Courses' and shows a search bar and a list of courses. The first course listed is 'Architecture [8143]' with options for 'Stream Options' and 'Core Courses'. Below this, there is a section for 'Unmatched courses' with a link to 'Why are these courses unmatched?' and a list of courses including 'ARCH7211 Research Studio'.

2. Select the **plus icon** next to Courses to access options.

This screenshot shows the same UNSW myPlan interface as the previous one, but with the 'Remaining Courses' tab selected in the right-hand panel. The main area remains the same, showing the progress bar and year-based course progress. The right-hand panel now displays a list of 'Remaining Requirements' with 5 items: 'ARCH7212 Research Studio', 'ARCH7252 Major Design Studio', 'Architecture and Housing Electives Architecture [8143] x2', and 'Prescribed Electives Architecture [8143]'. Below this, there are sections for 'Activities' (0) and 'Courses' (0), both showing 'No activities' and 'No courses' respectively. A plus icon is visible next to the 'Courses' section.

3. Select **Specific Course** to access the search functionality for a course.

The screenshot shows a 'Courses' header with a count of 0 and a plus icon. Below it, a dropdown menu is open, highlighting the 'Specific Course' option. The 'Search Courses' option is also visible.

4. Enter a **course code or name** in the search field to search for a specific course.

The screenshot shows a search input field with the placeholder text 'search for course to add' and a clear (X) button.

5. Select the relevant **course** from the options to add to the courses list.

The screenshot shows the search results for 'ARCH7216'. The course name 'ARCH7216 Designing Diversity: Architecture and Urbanism in a Multicultural Context' is highlighted in a yellow box.

6. A **confirmation message** displays and the course is added to Remaining Courses.

The screenshot shows the 'Plan your Path' interface. A green confirmation message at the top states 'ARCH7214 was added to Remaining Courses!'. The 'Primary Plan' section shows a progress bar with 48 TAKEN, 6 PLANNED, and 42 UNPLANNED courses. The 'Remaining Requirements' section shows a list of courses, including 'ARCH7214 Architecture and Politics' which is highlighted in a yellow box.

Add an activity to Remaining Courses

myPlan allows you to add an activity to the Remaining Courses to easily refer to again later. You would do this when you want to add the activity to your study plan.

Select Plan your Path or Go to Planner to access your study plan.

Instructions:

1. In the study plan, select **Remaining Courses** (if not already selected).

2. Select the **plus icon** next to Activities to access options.

3. Enter the **Name of the activity**.

You can drag the activity and drop in the teaching period for where you plan to complete the activity.

Add an activity to the study plan

myPlan allows you to add an activity directly to the study plan. You would do this when you want to add the activity to your study plan for a particular teaching period.

Select Plan your Path or Go to Planner to access your study plan.

Instructions:

1. In the study plan, select the **dropdown arrow** to access the relevant teaching period.

The screenshot shows the 'Plan your Path' interface. On the left is a navigation sidebar with 'Home', 'Track Progress', 'Plan your Path', 'Explore' (Courses, Pathways, Programs), and 'QUICK LINKS'. The main area displays the 'Primary Plan' for 'Architecture [8143] (Specialisation [master Of Architecture]: Social Agency [ARCHJS8143])'. It shows a progress bar with '48 TAKEN', '6 PLANNED', and '42 UNPLANNED' courses. Below this, a list of years is shown: Year 1 (8 Courses, 48 Units Of Credit), Year 2 (2 Courses, 18 Units Of Credit), Year 3 (0 Courses, 0 Units Of Credit), and Year 4 (0 Courses, 0 Units Of Credit). A dropdown arrow next to Year 2 is highlighted. On the right, a sidebar shows 'Remaining Courses', 'Remaining Requirements' (5), and 'Activities' (0).

2. Select the **teaching period** where you want to add the activity to access the Add button.

This screenshot shows the 'Plan your Path' interface with Year 2 selected. The main area displays a list of courses for 'Term 1 2025'. The first course, 'ARCH7183 Professional Practice 2: Projects and Practice', is highlighted. Below it, the 'ARCH7211 Research Studio' course is shown with a red 'Unmatched' status. A yellow box highlights the '+ Add to Term 1 2025' button. To the right of the course list, there are two empty boxes labeled '+ Term 2 2025' and '+ Term 3 2025'. The right sidebar remains the same, showing 'Remaining Courses', 'Remaining Requirements' (5), and 'Activities' (0).

3. Select the **Add to [teaching period]** button to access options.

The screenshot shows the 'Year 2' course selection interface. On the left, 'Term 1 2025' is listed with 18 Units Of Credit. It contains two courses: ARCH7183 Professional Practice 2: Projects and Practice, and ARCH7211 Research Studio. Both are 'Class Registered' and 'Unmatched'. On the right, 'Term 2 2025' is listed with 0 Units Of Credit. A yellow box highlights the '+ Add to Term 2 2025' button. To the right of Term 2 is a dashed box labeled '+ Term 3 2025'.

4. Select **Activity** to access a free text field for the teaching period.

The screenshot shows the 'Year 2' course selection interface. The 'Term 2 2025' panel has a dropdown menu open, showing options: 'Specific Course', 'Requirement', 'Search Courses', and 'Activity'. The 'Activity' option is highlighted with a yellow box. The 'Term 1 2025' panel and the '+ Term 3 2025' dashed box are also visible.

5. Enter the **Name of the activity**.

The screenshot shows the 'Year 2' course selection interface. The 'Term 2 2025' panel has a form with a text input field labeled 'Name of the activity', a dropdown menu labeled 'Select Activity Type', and a 'Save' button. The 'Term 1 2025' panel and the '+ Term 3 2025' dashed box are also visible.

6. Go to the **Select Activity Type** dropdown and choose the activity type.

The screenshot shows the 'Plan your Path' interface for Year 2. On the left, under 'Term 1 2025', there are two course cards: 'ARCH7183 Professional Practice 2: Projects and Practice' and 'ARCH7211 Research Studio'. Both are marked 'Class Registered' and 'Unmatched'. A '+ Add to Term 1 2025' button is at the bottom. On the right, under 'Term 2 2025', there is a dropdown menu with 'Attend conference' selected and 'Select Activity Type' highlighted. A 'Save' button is below it. A dashed box on the far right contains '+ Term 3 2025'.

7. Select **Save** to save the activity to the study plan.

This screenshot is identical to the previous one, but the 'Save' button under 'Term 2 2025' is now highlighted with a yellow border, indicating it should be clicked.

8. A **confirmation message** displays and the activity is added to the study plan.

The screenshot shows the 'Plan your Path' interface after saving. A green confirmation message at the top states 'Attend conference was added to your semester.' The 'Term 2 2025' dropdown now shows 'Academic' and 'Attend Conference'. The '+ Add to Term 2 2025' button is highlighted. On the right, the 'Remaining Courses' section lists 'ARCH7212 Research Studio' and 'ARCH7252 Major Design Studio'. Below it, 'Architecture and Housing Electives' and 'Prescribed Electives' are listed with 'x2' next to them. The 'Activities' section shows 'No activities'.

Select the **Add to [teaching period]** button to continue adding activities to the relevant teaching period in your study plan.

Add a note to an activity in Remaining Courses

myPlan allows you to add a note to provide more information about an activity. You can add a note to an activity within Remaining Courses.

Select Plan your Path or Go to Planner to access your study plan.

Instructions:

1. In the study plan, select **Remaining Courses** (if not already selected).

2. Hover over the activity and select the **Add Note** hyperlink.

3. Enter the **details** of the note.

The screenshot shows a web interface with a header 'Activities' and a dropdown menu showing '1'. Below this, there's a section titled 'Academic Attend Confe' with a '+ Add Note' button. A modal form is open, featuring a large text input field with a yellow border. At the bottom of the modal are two buttons: 'cancel' and 'Add Note'.

4. Select **Add Note** to save the note.

This screenshot is similar to the previous one, but the 'Add Note' button in the modal is highlighted with a yellow border. The text input field now contains the placeholder text 'Enter note details.'.

5. The note saves against the activity.

The screenshot shows the 'Add Note' modal form after the note has been saved. The text input field now contains the text 'Enter note details.' and 'You , a few seconds ago'. Below the text are two buttons: 'edit' and 'delete'. The '+ Add Note' button in the background is now labeled 'View 1 Note'.

Add a note to an activity in a teaching period

myPlan allows you to add a note to provide more information about an activity. You can add a note to an activity within a teaching period.

Select Plan your Path or Go to Planner to access your study plan.

Instructions:

1. In the study plan, select the **dropdown arrow** to access the teaching period with an activity.

2. Hover over the activity and select the **Add Note** hyperlink.

3. Enter the **details** of the note.
