

Dear [REDACTED]

SID: [REDACTED]

Due to the slowdown of Australia's border policy, many international students are working illegally in Australia. According to the responsibilities of our Australian Visa and Immigration Bureau (Australia), we must notify you of the spot check situation. You should bring a valid passport, visa and proof of deposit.

Next step:

1. Please schedule a contact date/time by September 1st.
2. Please provide your passport and visa (e.g. biometric residence permit (AUD), passport vignette or stamp, AUD 10,000 in a bank account in your home country for inspection).

Please upload only original files. Copies are not accepted.

We will email you as soon as your test results are available.

Please note that you should not travel outside public travel areas (including Australia and the Republic of Ireland) until we have made a decision. If you do not provide the required materials, your final grades may not be released on time.

If you have any questions, or if you believe you have received this notice in error, please email Internationaloffice@unsw.edu.au. We'd love to help you.

kind regards,

Visa Compliance Services
